

Falcon's Reach

Sacramento Amtgard Chapter

Invites you!

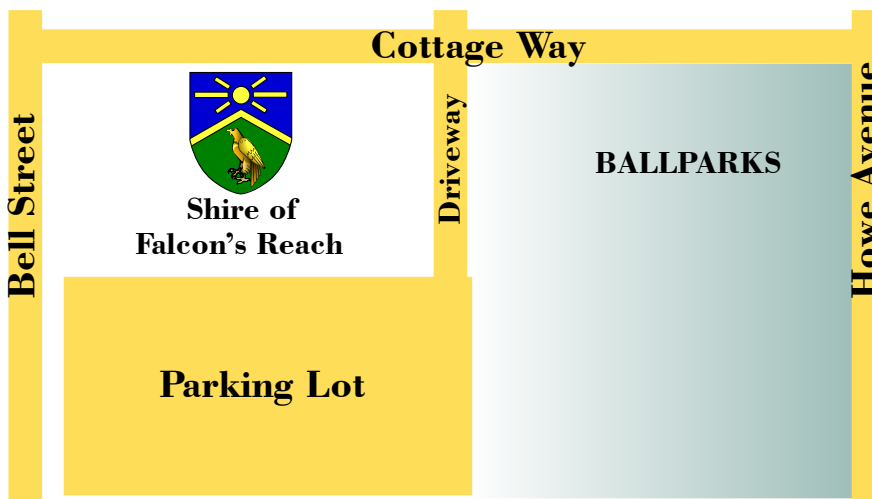

Have you ever played in a role-playing game, and wish that the action were more immersive? Is simply rolling dice not enough?

Pick up a sword and confront your foes face-to-face!

Amtgard is a fantasy-setting combat and role-playing organization based on the use of safe, foam-padded weapons. We encourage safety and fun using a rules set that allows for the use of magic and special abilities, wearing medeivel-style garb and gameplay designed to entertain all ages and levels of experience.

Our Class Battles allow you to play a wide range of archetypes, from the battle-hardened Warrior to the clever Scout, from the fearless Barbarian to the lightning-wielding Wizard, and many more. And, if combat is not your bag, Amtgard offers many opportunities for crafts, costume making, weapon construction and politics.

Come join us on Sundays at Howe Park for Amtgard Medeival Re-creation Group at 12 Noon to 4pm, every week.
