Letter from the Leadership

To the Board of Directors of Westmarch and Dragonspine,

Crimson Wood has had a productive reign that continues to flourish its numbers and accomplishments! Our current monarch, Mannanan, has instituted a Metal-themed reign, encouraging new takes on garb as well as unique quest lines. In fact, he took Metal garb to the extreme to win the costume contest held at Darkshore, Wavehaven's camp out event in May. Our monarchy has also been coordinating with other lands in a traveling quest line to each of the California groups, encouraging inter-land activities as well as boosting numbers. Crimson Wood successfully hosted Westmarch's Crown Qualifications; and since has encouraged newbies to create and craft their own gear after seeing such fantastic entries.

We had a little difficulty with our elected Prime Minister this reign, but with open communication and volunteers, the records are back on track. Seeing things beginning to falter, many stepped up to pick up the slack where needed and has since brought our land (as well as our monarchy) closer together to work more efficiently as a whole. Much thanks goes out to Fiks of Wavehaven as well for assisting in compiling the information in this audit into a much more professional document.

We are currently investigating moving bank branches for our account to make things easier to access as well as more cost effective. Our Regent keeps us informed on local food drives: we have had a positive land response in the past and continue to help in our community. Aside from the land's tradition of Tree Ball, a good mix of battle games and ditching; our Champion comes up with new games to keep our players on their toes and coming back for more. Nirvana is just as appreciated as ever as it is not uncommon to see our populace in song accompanied by an ukulele.

Thank you for your time, consideration, and of course: remember to visit!

In service,

Lady Bill the Nun, of Crimson Wood
