

AMT GARD

What is Amtgard:

Amtgard is a non-profit, non-sectarian group devoted to recreating elements of the medieval and fantasy genres. Amtgard is both recreational and educational: we engage in combat, practices various arts and sciences, and do some role playing. Amtgard uses safe foam padded weapons that represent the real thing.

Anyone over the age of 14 (under 18 with parents written permission) may join. Exceptions can be made for younger players on a case-by-case basis.

Amtgard is free to play, though people wishing to vote or run for office are required to pay dues (\$10/6 months).

What is Siar Geata:

Siar Geata is the name of the San Diego chapter of Amtgard. We have meetings several times a week for various purposes. Our main meeting is on Saturdays in Kit Carson Park.
