Average attendance From Jan 1st 2008 to July 30th 2008 = 33 per event day.

Days counted include our regular Saturday meeting, Ren faire days, and special event days, such as charitable events within the community.

Wednesday fighter practice, which is held weekly is not counted in this record, but has an average attendance of 5.

The days where attendance slacked largely are due to travel events, such as Darkshore, SSD quest, and Clan, where several of our members traveled.

Bank Account Information

Siar Geata has historically used a lock box for its treasury. We have been actively saving funds for the past several years and have operated all events and feasts by donation. Our

The Shire of Siar Geata. Find us on the web at www.siaroata.com

goal was to get a stable Baronial / Duchy level balance before we started actively drawing funds from the treasury. We have since moved our shire funds into a local Washington Mutual with two members of the current monarchy as the account signatory pending the election of a Board of Directors.

The Prime Minister is the sole officer in charge of Siar Geata Funds and is in charge of maintaining a proper ledger of all account activity.

Siar Geata is very proud of its activity within the San Diego community and outlying areas, doing our best to participate in several events every year. These past 6 months have been no different as Siar Geata played a part in The Escondido Renaissance Faire, a two weekend event which introduced many new people to Amtgard. This is a bi-annual faire, and Siar Geata has participated twice a year for three years now. This is Siar Geata's largest recruitment event.

Siar Geata also participated in the "Chalk the Walk" event in early May, a simple gathering in Mira Mesa, Ca. This Saturday event was part of the Mira Mesa Art Festival, and We were given a 25 x 25 space (and then some) to ply our craft to the amused onlookers! *(please refer to page 2 of reference guide for forms)*

This July Siar Geata also participated in a Cub Scout Demo which allowed members of our group to demonstrate our sport for literally a hundred onlookers, as well as assist in the creation of boffers for the cub scouts very own!

Below is a selection of flyers used for promotion during the past 6 months. *(Please refer to pages 1 and 3 for further selections in the reference guide)*

We also often post on craigslist under *activity partners* or *groups*

Siar Geata Election Results

In early July Siar Geata held its 6-month Crown Quals along with Elections. Please refer to pages 4 - 56 of the reference guide to see the ballots in all their glory. Ballots were for everything from Sheriff to Guildmaster. This event went successfully and you should notice the new members of the Siar Geata monarchy under the *Chapter Government* section of this file. Of course those running had to qualify for their posts and you will find in the next pages the results of our weaponsmaster tournament and arts and sciences tournament.
