Crimson Sanctum began this reporting period with only one fund, for general operations, valued at \$29.01. The entire balance was in cash. Over the reporting period, the chapter raised \$2,034.19 and spent \$1,011.00. It ended the period with five funds, cumulatively valued at \$1,052.20. These balances were in a mixture of petty cash, a checking account, and debts owed. Details are provided on the following pages, and supporting materials in Appendix A and Appendix B.

The chapter began the period with one fund, as follows:

- General Fund \$29.01

As noted previously, the entire balance was in cash.

The chapter received income from many sources. The top five were as follows:

- Fundraiser #3 (Holiday Auction) \$1,090.00
- Invasion \$ 344.82
- Private Donations \$ 175.18
- Belt favors \$ 109.00
- Weapon Sales \$ 87.75

The chapter spent money on many projects. The top five were as follows:

- Special Project #2 (Wall Shields) \$163.11
- Weapon Supplies \$150.04
- Special Project #1 (Belt Favors) \$ 82.92
- Shield Supplies \$ 42.75

The chapter ended the period with five funds, as follows:

- General Fund \$987.20
- Armor & Shields Fund \$ 0.00 (to be funded at January althing)
- Invasion Fund \$ 0.00 (to be funded at January althing)
- Special Projects Fund \$ 10.00
- Weapons Fund \$ 55.00

These balances of these five funds were split among three physical accounts, as follows:

- Petty Cash \$ 60.00
- Bank Account \$873.20
- Debts owed \$119.00

The bank account was established on December 29, 2008, just after the chapter's major holiday fundraiser. The chapter has not received any statements yet, but copies of the opening deposit receipts are provided at the end of Appendix B.

Crimson Sanctum began this reporting period with an average monthly attendance of 27 members, and an average weekly turnout of 12.4 members. (As travel can affect these numbers, in effect “pulling” away regular attendees that would normally count as regular sign-ins, it should be noted that no travel happened during the month). The entire period averaged 27.7 monthly members and 14.2 weekly members (counting travelers, these numbers would be 27.8 and 14.8, respectively). It ended the period with an average monthly attendance of 34 members, and an average weekly turnout of 20.5 members (no travel happened during the month). Details are provided on the following pages, and supporting materials in Appendix C.

Back at you:

In addition to the awards list, if I could get a copy of our contract with Westmarch it would be hugely appreciated...just want to to have it in the Chancellor binder.

I'm not really sure what the Althing minutes are, is it like an agenda or list of things that happened in the Althing? We probably have a couple random custom things...but none come to mind at the moment.

These are for the CDs, figured we might as well put it all one easy-to-access place for the members. Let me know if anything "custom" comes to mind.

BTW, any idea when a revised rulebook will be released?

Maybe he just forgot to sign in? Could be a true error.

I've sent him an e-mail to sort it out.

No hard copies exist. Both were random fighter practices at Niels' and Mark's houses.

I will add a note to the binder.

I got Chancellor smited. Switch that to Assassin as it should be.

Any recollection?

Thanks!

This was when I played in wavehaven because of freshmen orientation so I played with them but got credits here. I still have the passport if you want it.

Naw, that's OK...I'll just print and file this e-mail.

Thanks Thorin!

Sorry I did not call again last night, too many four-hour-sleep nights caught up with me and I just passed out.

Anyway, I entered our ORK credits from this weekend:

--Morrza: one color (regular, no class game) and one Assassin (travel)

--Uranaga: one color (regular, no class game) and one Monster (travel)

Any changes?

Will try and call you tonight.

Morrza wrote:

I wouldn't bother trying to call tonight unless you're feeling up to waiting till about 2 to do so, I'll be busy running in circles with AOKP stuff. The credits look good for me, yay color of useless doom! But I will try to give you a call tomorrow, after 7 right?

After 7 is fine. Worst case, you'll hit us during A&S. I will add this printout to the Binder of Doom in lieu of a sign-in sheet.

Medieval Combat Club

Do you like fantasy novels?
Swordplay?
Renaissance Faires?

...Or **just hitting people?**

Then join Medieval Combat Club!

Our first meeting is this Friday, after school in Hahamonga Park (the park across the street from school). Find us on the soccer field by the yellow fire hydrant. We'll be the ones in the funny clothes with the bags full of foam swords.

Medieval Combat Club (Amtgard)

Introduction

What exactly are we doing dressed up funny and beating each other with sticks you ask? Participating in the ancient arts of Medieval Combat is what! This club has a vast array of new experiences to offer the interested adventurer, from making clothing and armor appropriate to the medieval era, to wielding a foam-padded replica of an ancient weapon on the field of battle. For those who want to become a member, you must:

- 1) Obtain a copy of the rulebook and read it.
- 2) Develop a persona and a persona history.
- 3) Make a costume for yourself (or find someone to do it for you) that is fitting to your persona.

The Rules:

Damage and wounds to you

Head and Neck – Out of bounds. Is illegal and will not count as a hit. Deliberately parrying with your head or neck is prohibited.

Arm – The first hit to the arm will result in the loss of use of that limb. A struck arm must be kept behind your back. A second hit to the wounded arm will result in death. Hand shots count as a hit to the arm unless you are holding a melee weapon in that hand, in which case it counts as hitting the weapon. Wrists are considered part of the arm, not the hand.

Leg – A hit to a leg results in the loss of use of that leg. You must drop to one knee as soon as is feasible and place the dead knee on the ground. Any following hits to that leg will have no effect. Crawling, dragging one's self, and being carried are the only ways to move about with a wounded leg. You may make a short spring at an opponent with your good leg; however, hopping on your good leg is not allowed.

Torso – (Includes a person's shoulders, groin, chest, back, and buttocks) instant death.

Feet – Do not count as a hit if they are on the ground when struck; otherwise they count as a hit to that leg. Ankles are considered part of the leg, not the foot.

Note: When you are struck in any of these locations announce where you have been hit and then take the appropriate action. Any combination of two limb wounds will result in death. When someone lands a killing blow on you, announce that you are dead. It is recommended that you do so quickly so that your opponent will stop hitting you as soon as you are dead (instead of several hits later).

Game Etiquette

1. When any combatant is struck in the face, pause the action and check if the person is okay before continuing the fight.
2. Do not call another person's shots. It is rude and considered in poor form. If you consistently have problems with a player not taking their shots, inform one of the group's leaders who will deal with them appropriately.

Final Word:

Go to http://www.amtgardinc.com/bldocs/AmtgardRoPv7_2.pdf to download a full version of the rulebook. If you would like to learn more about and/or actually play Amtgard, please send an email to crimsonsanctum@gmail.com to be added to the mailing list and find out exactly when and where our next meeting will take place.
