Greetings from the Duchy of Crimson Wood:

We would like to take this time to thank the Kingdom of Dragonspine and Principality of Westmarch for their continued support to our chapter.

First we would like to highlight our change in land schedule. We have decided to once again extend our reign by approximately 3 months. This is to align our reign with what Westmarch is doing. As a result our next coronation will be in late May or early June. Another item we would like to highlight is Crimson Wood's recent Althing vote to start using the Westmarch message boards exclusively and shut down our independent one. We have also changed our P.O. Box because we were able to find one closer to our park.

On a financial side we have 1165.90 between our bank account and petty cash box. As you can see from the bank statements we are being charged \$8.00 per month for insufficient funds. To stop this we need to have \$1000 average daily balance or \$2500 one time balance during the month. As of the writing of this cover letter we have brought our balance over \$1000 to reduce losing money. This will limit our available funds for running feasts and such. The feeds can also be eliminated with a Tax ID number from a Non-Profit group. Since we do not have our own Non-Profit status we would like to see if we can gain access to Westmarch's or Dragonspine's.

During the last six months we have decided to do some demonstration days in other nearby parks and cities. So that these do not confuse our regular members we are holding these on Sundays and giving full credits as per the Westmarch Corpora. The goal of this is to get a greater exposure and hopefully some new members. The first one was at S-Park in Rohnert park and the second one was at a park in Petaluma. We are working on possible dates for Santa Rosa and Sebastopol.

We still maintain a stable Duchy that is pulling between 12 and 37 members each week with an average of 23. Our monthly population base has ranged between 39 and 50 with an average of 45. All of this was without counting visitors, which would give us a high of 61 for September 27 and 75 for the month of September. Our current downward trend in numbers corresponds with our standard reduction during the winter months.

In an effort for full disclosure we would also like to point out a couple of items that may be of concern. First is that our most recent Crown Qualifications paperwork is missing the A&S portion, but we do have the Fighting results. We had posted the results on our message board, but we did not print them before message board went down. Our second issue is that we only elected one member to our BOD. This is because only one person declared for the position. We decided to keep the remaining two positions open each month at the Althing until they are filled. The good news is that we already have 3 members declared for our two open positions.

Sincerely,

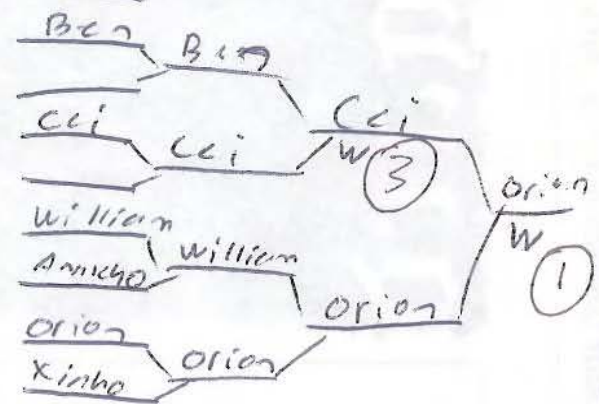

Duke Man At Arms Niveus

Prime Minister Sir Blackthorn
