Bank Account Information

During Siar Geata's promotion to Barony an account at Washington Mutual was opened and maintained for the greater good of the San Diego chapter of Amtgard.

In Late 2008, two events affected the bank account status.

- I. Washington Mutual had a specific crisis that caused concern amongst account-holders.
- II. A member of Siar Geata, and co-signer on our Washington Mutual account moved away for personal reasons.

This, after a quick and decisive decision caused our account to be closed, and re-opened once our group had the chance to discuss possible banks to invest our nest egg into, and to discuss members of the account. With the help of the DS and WM corpora, we have chosen the Prime Minister, and a newly created position, the Treasurer of Siar Geata. These two parties are un-biased and un-partisan towards the group, and are of course, seperate elected positions.

Discussed account changes were;

- I. Credit Unions
- II. Different Private Banks
- III. A business or non-profit account versus a regular checking or savings account.

The Prime Minister is no longer the sole officer in charge of Siar Geata Funds however, as per corpora is in charge of maintaining a proper ledger of all account activity.

Escondido, Ca

Siar Geata is very proud of its activity

within the San Diego community and outlying areas, doing our best to participate in several events every year. These past 6 months have been no different as Siar Geata played a part in The Escondido Renaissance Faire, a two weekend event which introduced many new people to Amtgard. This is a bi-annual faire, and Siar Geata has participated twice a year for three years now. This is Siar Geata's largest recruitment event.

Siar Geata also participated in the First Annual Vista Pirate Faire, another Gold Coast Festival 2 day faire, that took place in our own backyard. We were able to run our very popular ditch field and were clearly the biggest draw amongst the booths at this inaugural event. We look forward to attending again in the future and being a bigger presence!

With our influx of numbers, our promotion was driven through word of mouth, and a lot of time was simply spent at the park, introducing weekly new members, as well as our walk ups. Our park location is PRIME for unique visitors from the general public.

These past 6 months as well, we saw the North County Times, a local newspaper do an article about our occurrences, as well as Channel 6 news do a feature story about our game to tie in with the movie Role Models. Both the article and the television spot can be found on our web site. WWW.Siargeata.COM.

Below is a selection of flyers used for promotion during the past 6 months.

Siar Geata Crown Quals and Crown Elections.

(please refer to www.siarageata.com for our most recent Prime Minister Election and our B.O.D. Election results!!!)

Siar Geata is having our qualifications and elections a week before the DS due date for the spring Audit. However, WM has chosen to move the due date a month ahead for reasons unknown. This means that this audit has to include our LAST crown qual and elections. Please refer to the 2008 audit reference packet on www.siarageata.com for scanned in copies of the ballots and scoring sheets. So, without further ado, in all it's glory.. here it is.....again....

Siar Geata Election Results

In early July Siar Geata held its 6-month Crown Quals along with Elections. Please refer to pages 4 - 56 of the reference guide to see the ballots in all their glory. Ballots were for everything from Sheriff to Guildmaster. This event went successfully and you should notice the new members of the Siar Geata monarchy under the *Chapter Government* section of this file. Of course those running had to qualify for their posts and you will find in the next pages the results of our weaponsmaster tournament and arts and sciences tournament.
