

# Barony of Wyvern's Spur

## Audit July - December 2008

### **Files:**

- "Wyvern's Spur Lists.pdf" contains election results, quals results, dues paid list
- "statement on 1-3-09.pdf" is a downloaded copy of our bank statement (we receive online statements only)
- "ledger.pdf" has photos of the ledger
- "signins.pdf" has weekly signins, followed by fighter practice signins. At the end is a summary of unique players per month and per week.
- "flyers.zip" has copies of flyers that have been available for members to take and put up.

### **Bank Information**

Wyvern's Spur had a checking account as a personal under the name and taxpayer id of a prior PM. This account had a \$5/month service fee. We stopped using this account in summer '08, and remaining funds eventually transferred to the cash box. There was a delay opening a new account for Wyvern's Spur: we needed to get a taxpayer id number for the club, many banks stopped offering free accounts for business / group use, with the banking crisis, I had some question which branches would remain open for future convenience; additionally I didn't spend as much time as I might have opening a new account. I opened an account in December of this year. Thus, most of this term does not have bank info.

Current banking is through USE Credit Union. This account was opened December 2009. We have paperless statements, email only by request. Like many banks, free checking is only available with a fee based savings account; that savings account's fee is waived if there is a monthly automatic transfer. To maintain a balance in the checking account, I have set up an additional transfer of funds from savings back into checking 1 day after the automatic monthly transfer.

### **Signins**

I have several missing pages from the sign in sheets. Unfortunately, I have just moved, and am still unpacking. I doubt I'll find these sheets in the near future, if ever. I copied the information from the ORK for those pages.

### **Finances**

In April 2006 Wyvern's Spur had \$465 in the cash box. In March 2008 there was \$254 in the cash box and bank account combined. We had had a few free feasts, a \$5/month checking account fee, and no fund raising. This past term, we have had snacks and drinks for sale at the park. We did plan 2 feasts as fund raisers; bad weather resulted in low turnout, thus no income for those expenditures. The combined funds now stand at \$247; however we have food on stock that is selling, and plans for future fund raisers. Despite funds being lower now than at start of term, our finances are healthier and are poised for future growth and projects.

### **Membership**

We have had several new people join, both from passerbys to the weekly meets and from internet searches. However, new membership has not been sufficient to maintain our numbers. With life and job changes, several long term people have left. We have

had a slow attrition over the past couple years. To counter this, we are starting more aggressive recruiting than has been done for many years – longer than any current member, at least!

- For months, we've had flyers available weekly for members to take and post at their favorite haunts - see “flyers.zip” Two people have taken and posted them in local parks on occasion.
- We scheduled a 'bring a friend for an extra credit' day coinciding with a quest + feast in December, which was rained out.
- We are planning a flyering day to canvas the UC Berkeley campus and city in January.
- Elias is working on an article to submit to a local paper for some more exposure
- Our park offers good visibility to a large number of people. WE have discussed changing parks, but we probably wont find one that suits us as well. Fighter practice is held at a different park than our weekly one, so we are boosting our exposure that way.

We enter 2009 with several challenges ahead that represent trends from the past several years. However, Wyvern's Spur has a fair amount of new blood and new energy, and we should end 2009 a much stronger land.

## Number Crunching

### Unique Signins

From the Ork's attendance reports. Visitors to Wyvern's Spur neither listed or counted. Italicized names came out 1-3 times, then stopped; underlined players signed in as color only. Where 2 numbers are given, the former includes all player, the later subtracts both newcomers who did not stay and color-only players.
