**Kingdom of Dragonspine and
Principality of Westmarch**

Aug 2009 Land Audit

Greetings from the Duchy of Crimson Wood:

We would like to take this time to thank the Kingdom of Dragonspine and Principality of Westmarch for their continued support to our chapter.

This spring and summer has lead Crimsonwood to an expansion of new players and a growing support from new and experienced players alike. With the continued growth of new ideas and play styles, we have started to create a few new games and add a variety to our average day. This includes a renewed interest in fighter training and ditching. All in all Crimsonwood has continued to grow and expand into something that we, and Westmarch, can be proud of.

On a financial side we have moved our bank account to a bank that has a lower minimum balance in order to stop paying unnecessary fees. The new account only needs a \$300 balance so we should be able to maintain our account without paying any extra fees. The Monarchy has continued to run fundraisers to help off set the few major expense of this reign. With the release of the new 7.5 rulebook, most of Westmarch was able to buy new copies for their dues paid member at a great price of \$5 each. However this still lead to a one time cost of around \$100. We will continue to run fundraisers such as "Buy up your level day", and the new "Water balloon" game to keep our funds flowing.

Over the last reign the land help out with the Sebastopol school district Renaissance Faire. The two-day event saw over 250 11-14 year olds from all of the local schools. This is the third year participating with a chain maile demonstration and our second year running a fighting group. We have enclosed a copy of a few of the many thank you letters we received from the kids this year. We have had out at least 5-7 of the kids out to our land and have even keep 2-3 of them over the last few months. We are looking into a few ways to bring out some of the past players and bolster our numbers with some players that have left over the last few years.

As a Duchy we are continuing to pull between 12 and 36 local members each week with an average of 23. Our monthly population base has ranged between 32 and 45 with an average of 39. As a part of Westmarch we continue to see heavy influxes of visitors that bring our peak high up to 40 players and an average of 25 per week. The continued support and interaction of all of the Westmarch lands has helped keep our park a diverse and growing place. We hope that we can continue to visit and help support the rest of the Westmarch land as much as they help support us.

In an effort for full disclosure we would also like to point out a couple of items that may be of concern. Our current PM has had mundane life issues and disappeared on us. All inquiries have had the only response of "that he will be back in Aug." As such we are only able to include the last month and a half worth of paperwork. However all credits except June 6th have been updated in the ORK. In addition the current ledgers and petty cash records have not been included as all paperwork is inaccessible at this time. We have included the bank records as the BOD still controls that portion of our finances. Our current plan is to run a full audit as soon as we are able to obtain this paperwork.

We have elected our final BOD members and started having regular meeting on the first Sat. of each month. We are looking for at what is needed to help Westmarch achieve the NPO status and if we need to ask to use Dragonspine Tax ID number in the mean time.

Sincerely,
Duke Baronet MAA Niveus
Regent Drenth
MAA Orion

We really appreciate you teaching us how to fight, as you can tell we all had a lot of fun and you might see some of us at your meetings on Saturday. We all think your group was the best, and it was great of you to take time out of your day to teach us.

I learned how to use a
Small/short sword, a long
sword, how to block, and how
to make those fake swords.

Dear Sword fighting guys,
thank you so much for taking
time off of your lives to teach
us about swords. I had a blast
playing all the games and
learning about the different
weapons and how to use
them and how the renaissance
people would use them.
Thank you so much!! p.s
I liked your costumes.
