

Wyvern's Spur Audit

January – June, 2009

Files:

- "Wyvern's Spur Lists.pdf" contains election results, quals results, dues paid list
- " bank overview.pdf" and "bank checking details.pdf" are downloaded copies of our bank statement (we receive online statements only)
- "ledger.pdf" has photos of the ledger
- "signins.pdf" has weekly signins, followed by fighter practice signins. At the end is a summary of unique players per month and per week.
- "flyers.zip" has copies of flyers that have been available for members to take and put up. These are the same once as the prior audit.

Bank Information

Current banking is through USE Credit Union. This account was opened December 2009. We have paperless statements, email only by request. Like many banks, free checking is only available with a fee based savings account; that savings account's fee is waived if there is a monthly automatic transfer. To maintain a balance in the checking account, I have set up an additional transfer of funds from savings back into checking 1 day after the automatic monthly transfer. Statements are online only.

Finances

The start of this year saw a continuation of last year's bad luck with feasts. Baron Bran had planned another quest with feast with the intention that people would pay a minimal fee for the meal; a few days before there was a forecast of rain (which of course did not occur). Costs from that were therefore not reimbursed from feast and quest.

Our main fundraiser has been snack sales. This has maintained our balance well, though from part from certain members consistently overpaying and refusing change back.

January, total funds available were \$246, I have balanced the books late (July 19th), the total available funds available are \$215, with a \$24 check awaiting deposit (giving a \$239 total once I get to the bank).

Membership

At the end of the last audit a flyering day had been planned. This went ahead. Turnout was low; and as far as we know we gained no new interest from the many flyers we put up.

Talking with members of Wyvern's Spur, Bran notices a trend among certain members. Our group has grown and shrunk over the years; some people felt that at times the larger numbers meant larger numbers of drama. There's a strong undercurrent in Wyvern's Spur to keep our land small, and drama free.

Kronk works at a sign shop. He was able to design and make a banner that we hang between trees where we meet. Since this banner has gone up, we have seen a dramatic increase in the numbers of passerbys asking if they can join in. Most people will swing foam for a day, but we have seen several new people join and are becoming regular members.
