# To the Board of Directors of Westmarch

Aegir's Hall saw a very fast rise in numbers. It is a new park, with many new players who show a lot of enthusiasm for the game. We take pride in being a "fighting" park, and you can see our members at fight practices all around the region. We have travelled as a group to two camping events this audit period, and take pride in the numbers we were able to mobilize. We have hosted a large game day (Dragonball gameday) which was attended by 40 people. We take pride in our connection to Westmarch, and plan to apply for core land status during the next reign.

Signed,

Grimbold
