To the Board of Directors of Westmarch

To Whom It May Concern:

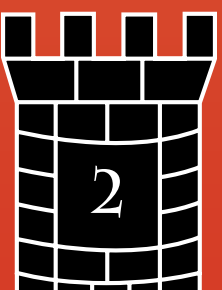

This audit period marks the successful reign of our long-time Prime Minister Hero Griffin Koford's first voyage into office that doesn't contain the words "Prime" or "Minister" in them, but rather "Monarch." Also, it marks the first term as Monarch for one of SSD's up and coming members Kairos, who has a heart of gold and a fist of iron. Ailliath managed to escape being appointed Regent under Griffin's regime by moving to Sacramento. Ty has bravely stepped up as Regent for his first term as a club officer. Vael completed two admirable consecutive terms as Prime Minister and was succeeded by Leah (who was later the victim of an orchestrated coup and Deimos took over the position after stepping down as WM Champion). Everybody hid under rocks and behind trees when local Champion declarations went out, so for the time being WM Champion Dame Gwendair is acting local champion until some poor unfortunate soul is saddled with the task. Sir Keluric is handling GMR duties and has promised to bring out cookies every week (note: one of the preceding two statements may not be true).

Recently SSD sponsored and hosted dessert at Feast of Mars VII's main feast and hosted Westmarch Crown Qualls.

With regards to the missing bank statement in this audit package - please note that we are in the process of renewing our club status with Cal Poly State University. As we are still in the renewal process, we are unable to get a copy of our bank statement from Cal Poly until the process is complete. Even if the bank statement is available, the account balance would be \$0, as we have not applied for any funding from Cal Poly as of yet. It is also important to note that as a Cal Poly club, we are prohibited from having an outside bank account.

Please do not hesitate to contact me if you have any additional questions or would like additional clarification.

Deimos
Prime Minister of SSD

Attendance Summary

Please use this form to summarize the attendance at your park from the past six months. Please provide the total amount of sign-ins for that day, the amount of visitors included in your total, and note anything that may have affected your attendance for that day; i.e.: inter-kingdom events, demos, quests, events, etc.. At the end of the month, please provide the average of total weekly sign-ins, and the total unique monthly sign-ins you had. At the very bottom, average and note the monthly total sign-ins you had, and the unique monthly average you had.

*Cancelled by Monarch, but some people showed anyway

12-24-11

Cancelled due paranoia of a fat man in a red suit threatening to break into people's houses at night.

Some people call it Christmas.

I call it breaking and entering.
