To the Board of Directors of Westmarch

Well it's that time again, AUDITS. The situation in the far south is as it always is. We are just keeping our head above water. With that said the future of the San Diego park is uncertain. I personally am getting to the point where it is a chore to continue to run the park alone. Especially when I can go play Bel on Sunday with a consistent 15+. Honestly a chunk on my numbers are from the Bel fighters coming to play our park. We are aggressively pursuing cross gaming and events with the Bel group.

For the time being I will continue to do what we have been doing. Showing up EVERY week, Recruiting where we can, & continue to push cross gaming in an effort to grow San Diego Amtgard.

As this is my first Audit, I have to give thanks to Trieste for leaving me the park and it's records in perfect shape. He went above and beyond and for that I am grateful.

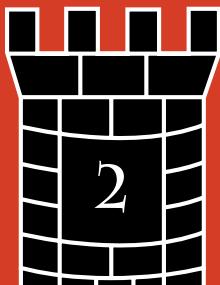

Additionally, Milan has been a great resources to me in running the park and I thank him as well.

All I can say is let's see how the next 6 months go...

In your service,

Signed,

Lag Warbucks

Amtgard is an international organization for fun battles with foam weapons. We have a simple combat system, that ensures safe intense fighting, and also includes magic, monsters, siege weapons and castles. There will be quests and adventures, campouts and celebrations. Amtgarders range the gamut from people who are interested in recreating fantasy garb and clothing, master armorers and foamsmiths, roleplayers recreating medieval characters or fantastic races which can only exist in your imagination to players who just want to come out and fight.

Amtgard is free, and anyone can participate. The weapons pass rigorous safety standards, and their padding makes sure that the fighting is fun and not painful.

Feel free to contact us if you have any questions at all.
