To the Board of Directors of Dragonspine,

We have had yet another wonderful half year.

Our continued improvement on our audit designs have made the audit process even easier than it was before, which in turn makes it much easier to read as well as aid any new local prime ministers in the auditing process.

The core lands of Westmarch did very well in the last audit and have continued to prove their excellence in this one. Of the sponsored lands only Aegir's Hall and Sunset Cliffs have turned in audits each receiving a rating of excellent.

Our Westmarch days events are proving to be quite successful with an average of (insert calculation here) Amtgarders showing up each time. Beyond simply numbers these day have solidified the bonds of brotherhood within Westmarch through good fighting and epic battle game shenanigans. Our annual event Feast of Mars was a big success as well as a new event being run called Flurbtastic Weekend, which much like its name suggests is a role-playing heavy weekend of fun.

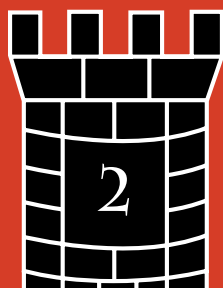

In the upcoming months we are looking forward to our midreign in Tehachapi as well as Clan with our current Regent Suraya leading the charge on clan by organizing several fundraisers to provide cheap transportation there for our members. Simply put, Westmarch is excelling like it always has and I could not be prouder to represent the Confederacy of Westmarch as its Prime Minister.

Yours in Service,

Porkins

Westmarch Prime Minister

February 2012

To the Board of Directors of Dragonspine,

It is with mixed feelings that I address the Dragonspine Board of Directors as Prince of Westmarch.

Though we are still pretty strong through our core lands, our southern lands have either completely stopped meeting or are trying everything they can to get people on their field. With that being said Westmarch's six core lands still averaged 108 a week with 242 unique monthly.

Our Westmarch Days have overall been a rousing success with the first one in August having 69 sign-ins. Then in September, a new event, Flurbtastic Weekend, put on by Niveus, Mannanan, and Torbjorn had 93 attendees. Our strong numbers continued with 110 at Feast of Mars VII in October, then our November Westmarch day had 81 attendees. Coronation in December was attended by 87, and even in January we had 89. This is an average of 88 people each time we get together as Westmarch.

We are excited about our future and have many people working together to try to complete this voyage we began five years ago. My reign will end in just a few short months but I will do all I can to assist the next Monarch of Westmarch in keeping the enthusiasm, involvement and cohesion high towards our goal in July and beyond.

We are pursuing our incorporation and N P O status and have our Kingdom corpora in the works and have attained a P.O. BOX which is at:

Amtgard, Confederacy of Westmarch
PO Box 660992
Sacramento, CA 95866-0992

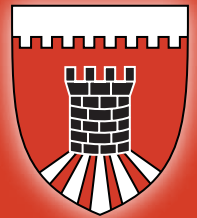

Yours in service,

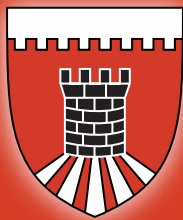

Grand-duke Sir Euric Bloodstone

Prince of Westmarch

Westmarch Days

The following is a run-down of the Westmarch Days that were held during this audit period. Westmarch Days were organized to show that Westmarch could demonstrate kingdom-level numbers once a month in preparation for our Kingdom bid during Clan 2012. The sign-in sheets for most of the following events are available in the Scans section of this document

August 14, 2011

Flurbtastic Day, hosted by Thor's Refuge

When flurbs attack! This day, the second of a series of three events, focused on the flurb. On this, the flurbiest day in August, players participated in an escort quest, fending off a goblin hoard, a flame elemental, and villainous characters most sinister. This was a lead-up to the weekend event, Flurbtastic Weekend, below.

Total sign-ins for the day: 69.

September 2–5, 2011

Flurbtastic Weekend

Weekend event co-hosted by Thor's Refuge and Crimson Wood that highlighted the more Role-playing aspects of Amtgard. Players role-played and performed quests to gain levels and earn more powers. This weekend also served as Westmarch's mid-reign for the summer reign.

Total sign-ins for the weekend: 93.

September 29–October 2, 2011

Feast of Mars VII

The popular weekend event centered around gladiatorial games returned for its seventh year. Quickly becoming California's best well known Amtgard event, this year featured a further refinement of the main day event. Six teams of gladiators, bought with good coin by the team trainers, battled to the death for the glory of Mars and the glory of Westmarch.

Total sign-ins for the weekend: 114.

November 12, 2011

Westmarch Day, hosted by Thor's Refuge

With no special events planned, the lands of California sent their players north to the Duchy of Thor's Refuge. The day's activities included a pot-luck feast, a special three-event \$1 buy-in tournament, and a themed battle-game. The tournament consisted of these odd-ball events: Luck of the Draw (random equipment selection, with some unusual equipment options), Enchanted Shield and Lightning Ball (charge, block, throw, repeat), and your typical Two-Man Teams.

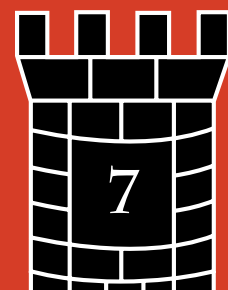

Total sign-ins for the day: 84.

December 3, 2011

Westmarch Coronation, hosted by Ashen Spire

The Amtgarders of California show that even in the chill of winter (55°, slight breeze, it's California after-all) we can still make a good showing. The recipe for this day's warming bowl of fun: out with the old, in with the new as we celebrated the beginning of a new reign. Much ditching, battlegames, and cake were had this day in Westmarch history.

Total sign-ins for the day: 87.

Notes

As noted in the previous audit, the Barony of Wyvern's Spur had requested at the end of the last audit to be self-demoted to a Shire, and is audited as such in this period. All other data for the Shire of Wyvern's Spur is included in their individual audit package.

The land was effectively on hold in October with the absence of both Thistledown and Azus.
