## To the Board of Directors of Westmarch

Dear Board of Directors,

As a Barony, we don't feel that is beneficial, to our park, to have a bank account to hold our money accountable. With current bank fees, we feel it would actually be detrimental to our funds. We ensure treasury integrity by having three officers check and balancing our current funds regularly. In fact, we have actually grown in our finances with this practice in place.

Signed,

Lady Grace Winters
