Instructions

IMPORTANT: All forms marked with a red asterisk (*) are required for your land rank. Failure to include these items can hurt your rating for this audit.

Thank you for preparing your land's audit package. This form is meant to streamline the audit process across all the lands of Westmarch and make the audits more accessible to a newcomer to the auditing process. Please attend to these instructions well; if you deviate from the given form it may result in confusion while determining your land's audit rating for this audit period. If the space provided in any given section is insufficient, please include a document with the complete data alongside this form in your submitted audit package.

If you feel that a part of this form is misleading, not explained well enough, too confusing, or down-right insulting: feedback is welcome and encouraged. Submit feedback either in the thread for this current audit or to the current Prime Minister of Westmarch. If you remember to be gentle and remember to use your words, your feedback will be invaluable in making the process even smoother and easier for you and your fellow lands.

Page 3 contains a space for you to write a letter to the Westmarch Board of Directors if you choose. Either the prime minister or monarch, or both, may include some words explaining how your land has fared in the past six months. Tell us what you have done and what you hope to see in the coming months. This is also an excellent space to explain anything that may appear unusual or extraordinary in your submitted audit package.

Page 4 has the summary of your audit, which is a checklist of items that you are able to provide. Not all items are required for every land so look for the asterisks. Tick off the items that you have as you gather them and include the data in this audit form. Underneath that you can find a form to enter your officers, as well as your past terms' officers if available. For the election results, if an office was contested, count votes for the losing candidate as "Nay" votes. Underneath that is a form for entering your dues paid members.

Page 5 is the form for entering your Crown Qualification results. Enter the officer's name in the given spot, list that officer's quals below their name (up to ten; if they have more list only the top scoring items), the category the item was entered under, and the average score that item received from the judges. Underneath is the form for your Warmaster results. Enter the top three scoring contestants and their scores based on tournament placing. You may specify the champion of each individual tournament if you wish.

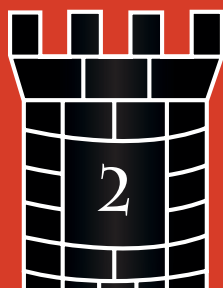

Page 6 has the financial ledger form. Please fill this out if your land is maintaining its own funds. Note the date of a transaction, a brief description of said transaction, and show money entering the land's funds in the "Credit" column and money being spent from the land's funds in the "Debit" column. Also show a running balance after.

Page 7 is taken up by the attendance summary form. Based on your sign-in sheets, fill this form out. Provide your total sign-ins count, visitors count, and your monthly averages. See the notes above the form for more detailed instructions on this, the most complicated in this document, form.

If you need any help filling this form out, please ask in the current audit thread on the forums. Submit this form, scans of all required documents, and any ancillary documents to the Westmarch Prime Minister by the date specified in the current audit thread.

In service,

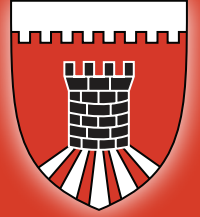

The Board of Directors of Westmarch

IMPORTANT ACCOUNT INFORMATION

Effective November 7, 2012, debit or ATM card cash withdrawals made in person at non-Wells Fargo locations or in person using the cash advance feature at Wells Fargo banking locations will be subject to your daily ATM withdrawal limit.

In addition, in the Selected Terms and Conditions for Wells Fargo Business Debit Cards, Business ATM Cards and Business Deposit Cards, the section titled "Authorization Holds for Card transactions", and Business Account Agreement section titled "*Authorization holds for card transactions*" are changing to clarify that the Bank is permitted to place authorization holds for up to 30 days on certain debit card transactions.

Remember, an "authorization hold" is a "pending" transaction that will reduce the current available balance that you can withdraw or use to pay transactions from your account. If you do not have sufficient available funds in your account, transactions may be paid with an overdraft protection advance, paid into overdraft or returned unpaid as applicable.

The Bank is permitted to place an authorization hold on your POS Access Account for purchases for up to three (3) business days on most transactions (or for up to thirty (30) business days for certain types of debit or ATM card transactions, including but not limited to, car rental transactions, cash transactions, and international transactions), from the time of the authorization or until the transaction is paid from your POS Access Account. Please note that if the transaction is not submitted for payment by the merchant within the three (3) business days (or thirty (30) business days, as applicable), the Bank will release the authorization hold, which will increase the available balance in your POS Access Account until the transaction is submitted for payment by the merchant and finally posted to your POS Access Account.

The merchant may submit the transaction for payment after the Bank has released the authorization hold. If this happens, the Bank must honor the prior authorization and will pay the transaction from your POS Access Account.

IMPORTANT ACCOUNT INFORMATION

NOTICE OF EXPIRATION OF THE TEMPORARY FULL FDIC INSURANCE COVERAGE FOR NONINTEREST-BEARING TRANSACTION ACCOUNTS

By operation of federal law, beginning January 1, 2013, funds deposited in a noninterest-bearing transaction account (including an Interest on Lawyer Trust Account) no longer will receive unlimited deposit insurance coverage by the Federal Deposit Insurance Corporation (FDIC). Beginning January 1, 2013, all of a depositor's accounts at an insured depository institution, including all noninterest-bearing transaction accounts, will be insured by the FDIC up to the standard maximum deposit insurance amount (\$250,000), for each deposit insurance ownership category.

Effective February 7, 2013, the subsection titled "Laws governing your account" in the Business Account Agreement is modified to add a new second paragraph reading: "Any funds transfer (including a wire transfer) that is a "remittance transfer" as defined in Regulation E, Subpart B, shall be governed by the laws of the United States and, to the extent applicable, the laws of the state of New York, including New York's version of Article 4A of the Uniform Commercial Code, without regard to its conflict of laws principles."
