## To the Board of Directors of Westmarch

Hello!

The focus of my term of office was in completing Darkshore. Sadly I left the rest of the operation of the land on the wayside. But I am happy and proud to say that the rest of the elected officers of our park were able to pick up the slack and keep the land running while I was inattentive. A&S meetings happened, a couple of Fighter Practices happened, and then Darkshore happened.

The fifteenth iteration of our annual camp-out was a rousing success in my mind. 99 Am-tgarders from Westmarch's lands in California and in Nevada joined us at the San Benito County Fairgrounds and fought and celebrated. The drama was low to nonexistent, as far as I could tell. And I don't remember anyone saying they were not having a good time.

All said and done, Darkshore's final numbers were 117 attendees. Oh, and one of our own was given the title of Lord. Mikezilla, to be specific. That happened. And was *awesome*.

With Darkshore behind us, I am also happy to mention the following Good Things:

The demo at Fanime Convention in Santa Clara netted us a few new members. Additionally, several people contacted us through our website and have actually come out to the field.

Mikezilla has continued his trending excellence and has hosted many more successful A&S sessions, which have been a huge benefit to our newer members.

The only Bad Things I can think of to mention is the following: as noted in our attendance summary, we are missing three sign-in sheets in March. There are no entries in the ORK for these days either, nor could we find a good reason for nobody to show up to the park. The weather was good with no rain. No events really occurred on these days. So if there was a meeting on these days, the sign-in sheets have been completely lost.

Also of note, our current Duke was unable to qualify at the Westmarch Crown Qualifications nor able to make qualifications at our local park. Our original candidate for Regent, Drake, had to withdraw due to a sudden move. As such Mikezilla, originally running for Champion, switched to Regent and Ailanthus, who submitted items to the Westmarch Crown Qualifications, stepped in to run for Champion. As such they are both technically pro-tem by way of not declaring for their positions. Ailanthus was given a waiver for the fighting portion of Crown Qualifications at the local level.

That about wraps everything up, I think. Happy auditing!

Signed,

Fiks of Wavehaven
