To the Board of Directors of Dragonspine,

Greetings.

In your hands you have the synopsis of the last six months of Amtgard for the Principality of Westmarch. During that time we focused heavily on improving our Amtgard through clarification of our own audit process, streamlining our future Kingdom-level corpora, and coming together as a California-wide group to play the game.

Our own audit process was clarified and detailed on how the chapters could accomplish the various ratings. We focused on offering the chapters the most opportunity to succeed, while remaining stalwart in our desire to see communication and effort be the primary factors of a rating. This caused some stumbling, but clearly defined a path for all lands to follow for future and continued success.

The condition of our future Kingdom corpora has been in the hands of the public of Westmarch for some months, and underwent a few revisions after it was produced by the committee. As it is a living document, we realize its nature will have us needing to monitor its functionality, but we are close to voting on its adoption as a corpora, predicated on attainment of Kingdom status. Once this is done, we will move on with offering it to you for approval and further advice, and then on to the Burning Lands Boards of Dictors for additional review. Proving it passes all of these steps, we will add it officially to our Kingdom Proposal for Clan 2013.

Regarding our Kingdom Proposal, we have become Amtgard, the Kingdom of Westmarch, Inc., an incorporated entity within the eyes of the government. Upon incorporating, we moved forward with the necessary paperwork to obtain tax-exempt status under the 501(c)7 designation, and are currently waiting for our initial response from the governmental agencies. We expect to hear an initial response within the next few months.

Westmarch Days have been a solid success, bolstering our strong numbers in Thor's Refuge, and pushing us past the 75 unique attendances per month asked for by the IK-CoM. Overall we are proving that we have the numbers to push forward with a Kingdom Proposal, and shall continue to push this aspect in the future as well. The concept of our "Westmarch Days" is slowly being ingrained in the culture of Westmarch, and I foresee it continuing to be a source of our lands coming together to play Amtgard as one group. Our

events are growing at a steady pace: Darkshore surpassed its attendance from last year and the year before, and Feast of Mars has increased its attendances every year since its inception. We also expect a considerable growth in the number IK participants at Feast of Mars this year. We will be continuing our fund-raising for our “Get Westmarch to Clan Fund,” in an effort to make a mass trip to Clan this year more accessible to all of our citizens.

Food Fight is being headed up by Grimbold this year, and we are confident in him to help us make a solid contribution to our parent Kingdom’s efforts.

In Service,

Baron Sir Keluric Tryst

Prince of Westmarch

To the Board of Directors of Dragonspine,

As you will read below we have had yet another excellent 6 months here in Westmarch.

Our monthly Westmarch Days have averaged 85 people each time and have continued to be a great time for all who attend. The War of the Darkshore was notably exceptional this year with 117 people showing up to swing foam and have a good time. Giving another good showing for the role-playing side of Amtgard, Flurbtastic made a return with a safari theme that had even the most die hard stick jock writing back stories and throwing fireballs. Bully!

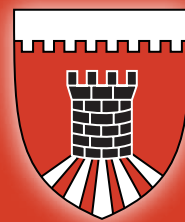

Coming up we have Feast of Mars: our yearly gladiatorial games that promises to bring many a Amtgarder from out of state. Food fight is to be lead by Grimbold of Aegir’s Hall and it promises to be even better than last. With all this and more I am very comfortable handing over the reigns to our newly elected Prime Minister Deimos.

If you have any questions please feel free to contact me at graylupe22@hotmail.com

Yours in Service,

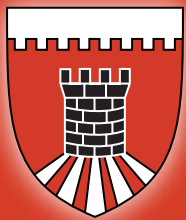

Porkins

Westmarch Prime Minister

Westmarch Days

The following is a run-down of the Westmarch Days that were held during this audit period. Westmarch Days were organized to show that Westmarch could demonstrate kingdom-level numbers once a month in preparation for our Kingdom bid during Clan 2012. Since we have had to postpone our bid until Clan 2013, we continue to strive to create kingdom-level numbers every month. The sign-in sheets for most of the following events are available in the Scans section of this document

January 14, 2012

Westmarch Day, hosted by Aegir's Hall

Today's festivities were held at one of our newer lands, Aegir's Hall, which is an off-shoot of the Duchy of Thor's Refuge. The events done this day included a Prize Tourney, a class in sword construction, and the first of the War of the North Winds quests ran by Dame Gwendair and Sir Keluric Tryst. At the end of the quest, a relic was awarded to Mikezilla of Wavehaven.

Total sign-ins for the day: 89

February 4–5, 2012

Westmarch Day Weekend, hosted by Thor's Refuge

Another month another Westmarch Day, this one held by our highest attended land: Thor's Refuge. The fun and games this day included a sword themed Arts & Science tournament, a leather working class that went over the basic principles and gave participants a basic sword frog to take home, and the second of the War of the North Winds quests. Another relic was bestowed upon Harefor of Aegir's Hall.

Total sign-ins for the weekend: 83

March 2–4 / 25, 2012

Westmarch Midreign / Westmarch Day, hosted by Thor's Refuge

Westmarch's winter midreign was hosted by Regent Suraya at her parent's ranch in Tehachapi, CA. The usual midreign events occurred including a Dragonmaster and Weaponmaster tournament. Several games were played, including the third of the War of the North Winds quests. The third relic to come from the quests was awarded to Leper of Thor's Refuge. Once it was clear that we were not going to have enough people at Midreign alone, another Westmarch Day was planned at Thor's Refuge on March 25.

Total sign-ins for the weekend: 54 / 81

April 14, 2012

Crown Qualifications, hosted by Thor's Refuge

With the new reign just around the corner, we gathered once again at Thor's Refuge to hold our crown qualifications. The day was mostly taken up by the needs of the Qualification process, but after the cultural and fighting tournaments were completed, we took to the field for our fourth War of the North Winds quests.

Total sign-ins for the day: 85

May 18–20, 2012

War of the Darkshore XV

The fifteenth iteration of Wavehaven's War of the Darkshore was also May's official Westmarch Day and Coronation. It was a glorious weekend full of battlegames, tournaments, and merriment. Bridge Battles, Pirates vs. Ninjas Battles, and Castle Battles were just a few of the games played over the weekend. We also played the Final War of the North Winds Battlegame which saw the slaying of a ferocious frost dragon outside the Northmen's castle. After that we all gathered around the stage for food, professional belly-dancing, and then Court.

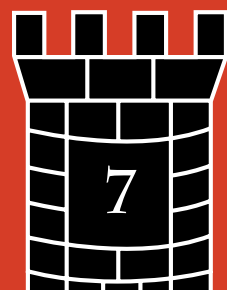

Total sign-ins for the weekend: 117

June 8–11, 2012

Flurbtastic Weekend

Westmarch's flurbiest weekend returned in 2012. Jointly hosted by Thor's Refuge and Crimson Wood, this weekend event had a safari style. Those brave enough to take to the wilds of Africa assisted the Expeditionary League of Gentlemen Explorers in saving their missing Colonel Lexington. Only the flurbiest would succeed, and to that we say, "Bully!"
